ORDER AND JUDGMENT

This cause was called for trial the 20th day of July 2011. Plaintiff, KAS Enterprises, Inc (hereinafter "KAS") appeared by and through counsel, Bryan Brody. Defendant, Tiffany Battle (hereinafter "Battle") appeared by and through counsel, Robert L. Swearingen. Evidence was adduced and at the close of all the evidence this Court took the matter under submission.

This matter arose as a result of the transactions between KAS and Battle regarding the purchase of a 2003 Nissan Altima. KAS filed its Amended Petition against Battle for Breach of Contract on April 20, 2011. The petition alleges that KAS and Battle entered into an installment contract in the state of Missouri for the purchase of an automobile in the amount of \$12,332.30 KAS further alleges that defendant defaulted on the agreement and after all payments and credits there remains a deficiency balance of \$3736.68; and that KAS is currently due 4931.91 including interest from the date of the filing of their Amended Petition plus accruing interest at the contract rate and attorney fees.

This Court, having considered the testimony of KAS' sole witness, the documents admitted into evidence by KAS and the arguments of counsel, hereby makes the following findings of fact and conclusions of law:
