*Judge Goldman is a wonderful man to work for. He is very professional, understanding and compassionate towards people brought before him as well as everyone around him. He is fair to everyone around him yet firm when necessary, but in a very respectful manner. I cannot think of a better person to work for or with. He is an asset to the judicial process and is well liked and highly respected. Many judges and lawyers seek his guidance and friendship.*

*I have had the privilege to work with Judge Goldman for 14 yrs and his patience with all is astounding to me sometimes. He has always conducted himself in a professional manner, no matter who he is dealing with. When ruling against a party, whether civil or criminal, he explains his decision to either litigant or attorney with such respectfulness and kindness that they leave with calm understanding. He is also very prepared for court. He researches certain motions and difficult discovery issues before parties appear, and is ready to make*
